

Blackheath & Bromley Courier

April 2022.

President 2022-23. David Appleton.

Editor. Pat Calnan (p.calnan@btinternet.com)

Your new President is David Appleton.

Thanks Nic Corry

A message from our new President

As we move from cross country to a new and hopefully normal track & field season, and as I step into the presidential shoes, it is worth reflecting on the adaptability and resilience shown by the club and track during the last two years. By a stroke of good fortune Nic Corry took on what turned out to be a two year tenure of the presidency and used his appreciation of technology's capabilities to keep the club operating on a "virtual" basis when formal races could not take place. We had virtual races, themed weeks finding linked street names, virtual meetings on Zoom and many other creative new ways of keeping club activities alive during the difficult pandemic lockdowns. When restrictions were eased track management and coaches worked together to enable track activities on a zoned basis, carefully complying with COVID regulations. Small groups of 6 or less started running on Wednesday nights and an outdoor bar was opened with table service and social distancing. Indeed so exceptional were these activities that we were voted England Athletics Club of the Year for 2020. Thanks to Nic, Alice and Holly Platt on social media, Adrian Stocks and Tim Ayres for virtual events and many others who made this possible.

The same characteristics of resilience and perseverance that saw us through the pandemic have also seen us move closer to fulfilling our ambition of uniting the club in a new centre at the Norman Park Track. Obtaining planning permission, selling the old clubhouse site and raising the funds has been an immense task, led by Tim Soutar and Chris Hilditch. Later this year we look forward to moving into the new centre at the track.

So we can now look ahead to an exciting track and field season, moving into our new headquarters and resurrecting cross country, which has experienced low participation in recent years.

None of the above would be possible without the enormous contribution of our volunteers. Thanks to all our coaches, team managers, officials and many others who help with social events, communications and administration! We can always do with more help so don't hesitate to make yourself known if you are able to help in any one of these satisfying roles.

Best presidential wishes to all members,
David

A small piece of Club History

It's the Wigmore Ladies Summer fixture card for 1967! The previous Autumn Wigmore Harriers men changed their name to Camden AC and Wigmore Harriers women became Wigmore Ladies. In 1967 Wigmore Ladies had two bases, Parliament Hill and Crystal Palace with the Club affiliated to the Middlesex WAAA. It only lasted for one year. In 1968 the Club only had one HQ, Crystal Palace and they were affiliated to the Kent WAAA. Thank you to Helen Godsell for this document. If anyone has any Wigmore or Bromley Ladies memorabilia please get in touch as it would be a valuable addition to our Club archive. This Courier is a fixture card fest, see further below.

--	---	--	---

Helen has gone on to win many titles in the Masters age groups, and now her son Joe is at it as well. Now 38 and living in Adelaide in Australia he won the 100, 200 and the 400 titles at the South Australian Championships. Moving on to the

National Championships in Brisbane he won bronze in the 100, silver in the 200 and finished with gold in the 400. Well done Joe!

Forthcoming Social Events

Not much happening at the moment but here's a few pictures of the Past Presidents letting their hair down recently.

Forthcoming Fixtures.

April

- 2/4/22 – B&B v Jersey v Guernsey, in Jersey
- 9/4/22 – ERRR 12 & 6 Stage Road Relays, Sutton Coldfield.
- 10/4/22 – Medway & Maidstone Open
- 18/4/22 – Tonbridge Easter Open Meeting
- 24/4/22 – Youth Development League, Under 20s and Under 17s, Eton.
- 27/4/22 – Parris Handicap
- 30/4/22 – Kent Young Athletes League, Erith.
- 30/4-2/5/22 – BUCS Championships, Bedford.

May

- 2/5/22 – Ted Pepper 10km, Norman Park
- 2/5/22 – Vitality London 10km.
- 7/5/22 – National Athletics League, Manchester

8/5/22 – UK Youth Development League, U15s and U13s, Tonbridge
9/5/22 – Kent Masters League, Sutcliffe Park
14/5/22 – Night Of The 10,000 pbs, incorporating UK Athletics 10,000 Championships Parliament Hill.
14-15/5/22 – Kent Championships, Gillingham. Entries close 25/4/22.
21/5/22 – UK Youth Development League, U15s and U13s, Bracknell.

22/5/22 – Southern Athletics League, Gillingham.
22/5/22 – Kent Young Athletes Development League, TBA
22/5/22 – Loughborough International.
25/5/22 – Parris Handicap
28/5/22 – UK Youth Development League, U20s and U17s, Stone X Stadium.

Results.

Highlight of the month was Sam Reardon representing Great Britain at the World Indoor Championship despite still being a schoolboy. Helen Godsell and Andrea Clement won National titles in their Masters age groups, with Carole Coulon, Ashley Pearson and Jennie Butler collecting a team gold. Lots more medals at the Masters and County Indoor Championships. We even won a Mob Match after 19 consecutive defeats. Yet, which of these is the odd one out? 1. Avon Valley Runners. 2. Datchet Dashers. 3. Vegan Runners UK. 4. Blackheath and Bromley Harriers AC. The answer is number 4, as they are the only one of the quartet who did not finish a team in Southern 12 Stage Road Relay. We didn't finish one in the womens 6 Stage either. Some may say it is disappointing, some may say it is shameful, some may say they aren't bothered which is even worse.

Blackheath Harriers win the Southern 12 Stage for the first time in 1989. Richard Coles crosses the line over 4 minutes clear of runners up Haringey

So from Belgrade to Bromley, from Lee Valley to Lydd, from Texas to Tonbridge, from Manchester but not to Milton Keynes, from Millfield but not to Milton Keynes, from Michigan but.....

142 years ago in 1880.

“New Music

“The Harriers Galop” composed and dedicated to the Blackheath Harriers by Mr H. V. Lewis RAM is a very lively and original production. Simple in its construction and within the compass of small hands, it is admirably adapted for dancing”
Southwark Mercury 6/3/1880. (Price 1s 6d. To be had of the Composer, The Parade, Lee). Mr Lewis was pianist at the Blackheath Harriers Club Dinner in 1879 at St James’ Restaurant. He was paid half a guinea for his services.

100 years ago in March 1922

The Mob Match against Ranelagh takes place at Hayes, rescheduled from earlier in the year due to tragic circumstances. It results in a win for the visitors who now lead 6-5 in victories. The race marked the first competition for the Pelling-Ratcliff Cup. “Gilbert’s energies were taxed to find seating accommodation in the Club-room for the huge assembly after the race, but he managed it like magic, and there followed one of the best and cheeriest evenings we have had since pre-war days.”
The second Kent Cross Country and Road walking Championships take place at West Wickham. Blackheath finish runners up to Cambridge Harriers in both. “The elasticity of our Headquarters was well tested, both as regards dressing accommodation and appeasing the inner man, with very satisfactory results”.

“Our dressing room has benefitted by the generosity of stalwart Trevor Davis, who has presented us with another hip-bath for the use of members”

SUMMER EVENING MEETINGS.

PRIVATE BANKS GROUND, CATFORD BRIDGE, S.E.
 Dates: *Wednesday, May 24*, at 6.30 p.m.; *Tuesday, June 29* (in conjunction with the Private Banks A.C.), at 5.45 p.m.; and *Wednesday, July 19*, at 6.30 p.m.

EVENING RUNS AT WEST WICKHAM will take place on the following Wednesdays: *June 7, Aug. 2 and Sept. 6*. Members who have not hitherto sampled these slow and enjoyable summer jaunts, with the attendant delight of a swim through the ponds on the warmer evenings, are particularly advised to book the fixtures and come along. In conjunction with the later dates, the introduction of social attractions, in the nature of an *ad hoc* concert, etc., is under consideration, and these monthly Club gatherings at West Wickham offer novel and pleasant breaks in the usual summer routine.

CLUB CRICKET MATCH v. WEST WICKHAM.—The arrangement of a team for this sporting fixture, to be held on *July 19*, and which is a result of a challenge from the local cricket club, is in the hands of Vice-President H. W. E. Sercombe, "Wentworth," Carlton Road, South Croydon, and all cricketing members are urgently asked to communicate with him, in order that the strongest representative team can be mustered. It is hoped that an early start can be made, and the event will be followed by a SMOKING CONCERT AND SOCIAL EVENING at Headquarters, the Railway Hotel—if fine, on the lawn. This fixture should do much

75 years ago in March 1947.

The National Cross Country Championships take place at Shendish Park, Apsley... "Old members must have rubbed their eyes on reading their Sunday papers to find two Blackheath Harriers selected for International Honours on the result of the sixtieth Senior Championships held over the Hemel Hempstead country. Our team put up the finest performance in the "National" in the history of the club and heartiest congratulations must be accorded to the Winter Captain, R. R. Choat, on the running of his team". The Club finish in 4th place with Sydney Wooderson first home for the Club in 7th and Gordon Monshall 9th.

A complimentary Dinner is organised by the Amateur Athletic Association in honour of Sydney Wooderson.

SUMMER SEASON

GAZETTE

The next issue of the GAZETTE will appear in
JUNE
and Copy should reach the Hon. Editor before
MAY 31
at 12-16, Laystall Street, E.C. 1.

SUBSCRIPTIONS

In the last issue of this GAZETTE the percentage of unpaid subscriptions was described as "regrettable."

The poor response during the intervening six weeks justifies the strengthening of the adjective to "DEPLORABLE."

It is unbecoming for a Club such as the Blackheath Harriers to be under the necessity of making these appeals and I do urge all the Members concerned to respond without further delay.

S. A. FIELD, Hon. Treasurer, NORTHGATE HOUSE,
COPTHALL CLOSE, E.C. 2.

(Details as for previous Meeting.)

50 years ago in March 1972

Graham Gower represents Great Britain at the European Indoor Championships at Grenoble. He finishes 6th in his heat of the 50 metre hurdles in a time of 6.8 secs.

Drama at the first 6 monthly Bumper draw of the 200 Club. "Eligibility for this prize was limited to the 66 members who have been in from the start. Drawn in conjunction with the March draw, there was considerable commotion and embarrassment when Mrs George Brooks picked the winning number 20 – none other than Chris Haines, one of the joint promoters."

The Club's Winter track meeting at Crystal Palace. "... over 450 competitors in 50 track races and 18 field events! Add to this a crowd of around 350, performances of international standard and perfect weather, and there is little more that the organiser-in-chief Bob Taylor could have hoped for..." Woking's Brian Hooper attempts a National record in the pole vault having won the event in 4.70 with Allan Williams third in 4.40. Surrey's Dave Travis, Commonwealth champion, wins the javelin with 78.78. The youths 1000 is won by a Steve Ovet of Brighton in 2.34.5. (The B string was won by a G Coe of Kent).

The notorious Sutton Coldfield National takes place

NATIONAL CROSS-COUNTRY CHAMPIONSHIPS

Saturday, 4th March, 1972

AT SUTTON COLDFIELD

By the time this report is printed most readers will have heard of the extraordinary and frightening weather that overtook these championships, and those who endured the terrible conditions will have committed the experience to memory. It is a memory that will live for a very long time.

The day dawned bright and sunny in the south, giving no clue at all to the majority of our team, travelling from London, as to what lay in store for them later in the day. Our runners were accompanied on the train by a support party consisting of Bob Hawtin, non-playing captain on this occasion, and the other two-thirds of the Richardson family: wife Sally and father George, both regular and stalwart supporters. Our President and his wife travelled independently and completed the party. It was just as well, as it happened, that no more made the journey.

The Youths race was first away, and while the weather was still reasonable there were signs of things to come. Even this field of about 340 found the first turn, after about 500 yards, sharp enough for many to trip and fall, and there were reports of fallen runners screaming as others ran over the top of them. Our lads got caught up in the general confusion, and were not able to get any clear running until about the two mile stage. By this time Richard Coles was beginning to work through, but was very disappointed to have been attacked by influenza during the previous few days and so was not able to reproduce the form that gained him fourth place in the Southern. The team was completed by Stuart Knowles, Roger Ebbutt and Keith Brown, who was running in only his second race of the year after injury.

As in the Southern race, we were not represented in the Junior championship, but it may have been just as well. During this race the weather began to deteriorate, culminating in a long and very heavy shower. Shelter was very difficult to find, and many of the waiting senior athletes were already wet and cold, with the temperature falling all the time, the wind increasing and the sky growing ever heavier and darker.

The senior race started raggedly, a disorderly stampede downhill to that first turn, where large numbers were forced to slow down, walk or even stop momentarily until the ruck cleared. By this time the leaders were of course well away, but many of our team had to wait for things to sort themselves out. For most of the first lap Chris Haines was our leading man, but then Richardson, Baldwin and Wilson moved through to positions

more appropriate. During the course of the race the rain turned to sleet and then to snow, driving almost horizontally as the wind grew even stronger and the temperature plummeted. By now our bespectacled runners, Chris Woodcock and Peter Horwood, had been forced to drop out, unable to see where they were going. To make things even worse, conditions underfoot were also very treacherous in places, and many runners fell in potholes and deep, freezing puddles. By the time it came to the third three-mile lap the over-riding consideration was to finish and seek refuge from the miserable cold. Trevor Wright, a former winner of this race, dropped from 3rd place to 23rd in the last 600 yards, and does not remember running it. Of our men, Mick Hamlin and John Baldwin both had their faces frozen and could not speak. There were many cases of exposure; a good number were taken to hospital (still clutching their discs!) or nursed in the refreshment marquee, and the rest had to make their long and disconsolate way back to the school changing rooms, nearly a mile away.

It was a great endurance test for everybody, no more for the runners than for the many officials, of whom Alan Brent was one, and it is almost a miracle that complete results were published within a week. It is not surprising that team performance took second place to individual survival on this occasion; Bob Richardson, in his lowest position to date in the National, was still our first man home; and we came home with 17th team place, no discredit in the circumstances.

The same runners now look forward with some trepidation to the National Road Relay, which is to be held at the same venue at the end of April. Surely we won't have to live through this kind of experience again?

RESULT: Senior

IND.: I. M. Thomas (TVH) 47.27; 87, R. Richardson; 90, J. Baldwin; 131, I. Wilson; 162, C. Haines; 196, J. Clare; 259, G. Botley; 492, M. Hamlin.

TEAM: 1. Tipton H. 232; 2. City of Stoke AC 261; 3. Reading AC 337; 11. Cambridge H. 751; 17. Blackheath H. 925.

887 individuals and 91 teams finished.

RESULT: Youths

IND.: I. N. Saunders (Southgate) 20.43; 48, R. Coles 22.13; 117, S. Knowles; 231, R. Ebbutt; 316, K. Brown

TEAM: 1. Sale H. 146; 34. Blackheath H. 712. 327 individuals and 47 teams finished.

25 years ago in March 1997

Julian Golding finishes third in the semi final of the 200 metres at the World Indoor Championships and misses out on a place in the final. Debbi Marti finishes 13th in the high jump with 1.85, having cleared 1.90 in qualifying.

Mark Findlay wins the 200 metres for GB Under 20s in an indoor match against Germany and France in Chemnitz. Chris Moss is third in the 800, Nick Thomas third in the triple jump, and Emeka Udechuku 6th in the shot. Findlay is also in the winning 4x200 metres team.

A Historic day at Havant as Blackheath's Under 17 Men win the National Cross Country title for the first time in the Club's History. The scoring four are Michael Skinner 16th, John Baker 24th, Steve Holmes 27th and David Farnham 30th.

In the Senior Mens race Dave Taylor finishes in 7th and Spencer Newport 12th.

At the BAF World Cross Country Trials at Luton, Dave Taylor finishes 13th and Spencer Newport 16th.

The AAA's Half Marathon is incorporated in the Reading Half Marathon and Mark Steinle finishes 2nd (64.56) with Bill Foster 3rd (64.57)

It is a big month for half marathons as Dave Taylor is 18th in the Hague, Netherlands in 63.26 and Club members fly the flag at Forbaks, Tunbridge Wells, Hastings (25 finishers), Fleet, Paddock Wood, Gatwick, and East London.

Peter Hannell is a European Champion. He wins the M50 3000 walk at the European Indoor Championships in Birmingham with a time of 14.37.40.

At the Puma Ekidon Marathon Relay at Crystal Palace the Senior Mens team of Mark Steinle, Anthony Draper, Darrell Smith, Dave Heath, Roy Smith and Liam Bulson finishes in 7th but there is a win for the veterans team of Tim Soutar, Ken Daniel, Hugh Morten, Con Griffin, Pete Barlow and Richard Coe.

Bill Clapham is third M65 at the BVA Cross Country Championships in Sunderland.

At the Club AGM, Mike Martineau introduces his successor. It's Mike Mahoney.

EDITORIAL

Dear 'Heathens,

We appreciate the feedback from the publication of the new style Gazette last October. Having basked in the positive comments for some time, we have tried to take on board the criticisms to improve the Gazette, whatever your tastes may be.

Again we are grateful for one-off articles, as well as the regular features. For example Jim Day has given us a very interesting article on pre-British League Trophy Meetings and Paul Featherston has shown that Scotch Whisky may some day take over from Creatine!

We managed to produce the last Gazette at a reduced cost by "shopping around" the country quite extensively. We ended up in Rochdale. This edition is produced in Penryn, Cornwall, where we were quoted an even better price. We will continue to use your subs wisely. We are, of course, always interested in more advertising. Lastly, we try to reflect all diverse aspects of our club in the written and photographic content of the Gazette. In particular we would like to increase coverage of the women's activities in future editions and would appreciate contributions from that side. Whatever your story, we are interested to hear from you.

Alan Hardy and Les Roberts.

MIKE MAHONEY - PRESIDENT 1997/8

"I pity the poor so and so who has to take over from him (that is Mike Martineau)". So said one of the Vice Presidents to me at the VP's Supper in February. Of course he did not realise that he was speaking to the new President at the time but I knew, and his statement made me wonder. Did I pity the new President? Was it such an awful job? No, I don't think so. To be President must surely be the greatest honour any club can bestow upon one of its members. But to be President of a club such as Blackheath Harriers is really something special and I feel proud and very honoured to be your President for 1997/98.

I know it will not be an easy job. Blackheath expects great things of its Presidents and I have a hard act to follow. Mike has been an excellent President for the last twelve months. True, he may not have pleased everyone and I doubt if I can be all things to all men either. I will however, do my utmost to live up to his and your expectations.

All of the recent Presidents have been very active in club affairs and at times appeared to be almost, omnipresent. To follow their example does present me with a small problem, however. Living in

Buckinghamshire, close to the M40, has its advantages, one of which is the motorway network which makes most of the country very accessible. To get to the clubhouse via the M25, however is another matter. I will be there whenever I can to support our teams, seniors, young athletes, men and women. On the track, field, road, cross country or at the bar. I listen well and talk a lot, so if I'm there come and say hello.

The challenge of being the President for the next twelve months really excites me. I have no theme for the year or any great desire to instigate revolutionary change. I am a supporter of tradition which is something we have plenty of and is after all what gives the club its unique character. We would do well to remember however, that today's traditions were yesterdays innovations. We must be ready to embrace change when it is necessary if we are to move forward and develop. Blackheath is a forward looking club and we will soon be pushing the boundaries still further with our own dedicated web site on the Internet. Just the start we need to take us into the next century.

Our club has a great past and an even greater future. I sincerely believe this to be true. I was proud beyond belief to witness the display given by our young athletes at Birmingham last year. Not just their athleticism but the way they conducted themselves both on and off the track. These young people are our future and I am sure that our club will be safe in their hands. We owe it to them, the boys and the girls, to make sure that they have a healthy and dynamic club to inherit.

So if I have no theme for my Presidential year what do I have to offer? Well, I have enthusiasm and plenty of it. "Nothing great was ever achieved without enthusiasm". These words were engraved on the medals awarded at the 1995 World Championships. They are however, attributable to Ralph Waldo Emerson who was an American essayist in the mid-eighteen hundreds. That was at about the same time that a group of men were thinking about forming an athletic club in Peckham and I like to think that their enthusiasm for the task in hand is still alive and well in the Club today.

All great sentimental stuff I hear you say but enthusiasm alone will not solve our problems and get us to this great future you believe in. Very true, but enthusiasm and team work will go a long way in helping us to achieve our goal. Solving difficult problems is like trying to eat an elephant. If you are alone and try to eat it all in one go, you will surely fail. If however, you get a team around you and cut the beast into bite sized chunks, the elephant and likewise the problem, will soon be devoured. So join in the banquet, put yourself forward to help the Club in any way you can. Don't just leave it to the few who seem to do everything. It's your club and it can be as great or as insignificant as you want it to be, its your choice.

Our sport is going through a time of change and appears to be in an awful mess at the highest level. Blackheath has its problems too but they are no worse than those being experienced by any other club, big or small, at the present time. We have a great advantage over those who seek to govern British athletics though. We know who we are, what we have been and what we can be. Above all we know who is in control and who runs the Club. It's you, the members through your elected committee, not some faceless bureaucrat with a bunch of un-elected hangers on. This is a great strength and we must guard it well.

Mike Mahoney
President 1997/98

MIKE MUSES

My year as President has ended with a mixture of sadness and relief. It was hard work, but it was worth it and I would like to express my thanks to the many people who supported so magnificently.

There were so many highlights. Firstly, the tributes to the late, lamented George Brooks are now in place and I am delighted with the support given for this. The completion of the improvements to the ladies facilities and their opening by Mary Peters was also a very special event. Richard Nerurkar was our guest of honour at the Club dinner where we also welcomed Bruce and Sue Tulloh.

Four successive weekends brought tremendous team success at all levels. August 18th saw us clinch promotion back to Division 1 of the British League. August 25th saw us win the National Junior League on September 1st it was the turn of the Veterans who won the Southern Vet's final and on September 8th our young athletes led by Jenny Jackson won the national

final for the eighth successive time by a record margin. Our new sponsors PERMA INDUSTRIES LTD. had their MASTERPLUG brand prominently displayed.

I was very pleased to be able to honour the following 6 members who had all achieved 50 years of membership; Bill Lake, Ed' Malone, Gordon Monsall, Tony Hayday, Peter Baigent and Phil' Saxon.

My final word has to be about the Club's magnificent support of a whole variety of charities. We have given over £87000 in 8 years to some very worthy causes. I had the pleasure of presenting cheques totalling over £13000 to the Research into Ovarian Cancer and to South Bromley Hospiscare. Dick Griffin was personally responsible for raising over £7500, a truly fantastic achievement. This year Alan Pickering will lead our efforts to raise funds for the Kent Association for the Blind who provide the practical support for those in Bromley who are blind or visually impaired. We hope you will be generous in your support.

With best wishes and my thanks for the memories. It was a real pleasure.

Mike Martineau

THE SECRETARY'S REPORT FOR THE YEAR ENDED 31st DECEMBER, 1996

MR. PRESIDENT, LADIES & GENTLEMEN,

I have the pleasure to present to you my Annual Report for 1996. Many of you familiar with the A.G.M. of Blackheath Harriers will now be saying to yourselves "What is going on; why is the report in print instead of him reading it?" Well, there are two reasons, the first being my obvious absence, and the second, that I want you all present to not hear it and forget it, but hopefully take it away and at least for a day or two consider it.

The main purpose of the Annual Report is to highlight what has occurred during the year, and is normally a whole list of our successes and the people who have achieved the same in the area of athletics promotion. This, after all, is why the Club exists. The down-side is that too few people appear to realise that athletics does not just happen - someone, somewhere has to organise it - as with other events.

The Concise Oxford Dictionary defines Club as an association of persons united by a common interest - meeting periodically for a shared activity". It also says "an organisation offering subscribers certain benefits". There appears to be a philosophy within our Club that "the organisation offers certain subscribers benefits!" However, I digress at this point, so more of that later.

If I may return to the athletics side of our activities, our

Earlier in the afternoon Steve Hollingdale wins the Closing 5 Yacht Handicap. There are 45 finishers, three of whom were among the 11 who finished in 2022.

The Clubhouse hosts an art exhibition where Mick Hamlin shows "his paintings and drawings to a background of Bar noises and Modern Jazz music... If you value the plural and the curious in preference to the singular and uniform there is probably something for you."
